

### PRE-LISTENING ACTIVITY

#### Guess the school subject

Divide students into pairs.

Student A and students B read the sentences on their cards to the other student who guesses the subjects.

The student who guesses the most subjects wins.

#### STUDENT A

- |    |   |          |                              |                             |
|----|---|----------|------------------------------|-----------------------------|
| 1) | We use computers in .....                 | GUESSED: | YES <input type="checkbox"/> | NO <input type="checkbox"/> |
| 2) | We go to the gym in .....                 | GUESSED: | YES <input type="checkbox"/> | NO <input type="checkbox"/> |
| 3) | We play the guitar in .....               | GUESSED: | YES <input type="checkbox"/> | NO <input type="checkbox"/> |
| 4) | We speak like people from France in ..... | GUESSED: | YES <input type="checkbox"/> | NO <input type="checkbox"/> |
